

HOMESCHOOL GOALS, STRENGTHS, AND NEEDS

This planner is a good way for parents to keep track of their homeschoolers' strengths, needs and goals. Listing out the areas where they are the strongest, helps the parents (and students!) stay focused on the areas where a little more help is needed. Use the to-do area to list goals (either specific learning goals you hope to meet, or just specific activities/chores/tasks you hope to see completed) for the time period.
