

**\$avings Worksheet** As your student starts saving their hard earned money, this will allow them to track their progress towards buying something rewarding.

| Date | Allowance<br>Earned | Total<br>Saved | ltem<br>Cost | Need to<br>Save |
|------|---------------------|----------------|--------------|-----------------|
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
|      |                     |                |              |                 |
