

Name: _____

Date: _____

Leap into Graphing

Color the frogs on page 2 their assigned colors. Then cut out the squares. Put the squares in a brown paper bag or cup and mix them up. Without looking, pull out 15 frogs and graph your results.

blue 	green 	yellow 	purple 	orange 

1. What color of frog do you have the most of? _____
2. What color of frog do you have the least of? _____
